Preoperative Requirements

- Please provide this form to your Primary Care Physician should they have any questions regarding ECNB's requirements for clearance
- Pre-surgical testing is required within 30 days of the procedure. The fax number to send the pre-op is 410-417-9530.
- Please make sure to have the complete pre-op submitted to our office at least 5 business days prior to the scheduled procedure, failure to do so may result in the cancellation of the procedure.
- We DO NOT require an EKG or bloodwork.
- Pre-op requirements are :
 - Current vital signs including height and weight
 - Current/past medical history
 - Surgical history
 - Current medications
 - Allergies
 - Review of systems
 - Physical examination
 - Practitioner signature and date
- This procedure is performed under monitored anesthesia care (MAC) using propofol.
- If the patient is taking any blood thinning medications, we require that they are off for at least 2 days prior to the procedure. Please advise your patient if this is acceptable, if not, please make patient aware of when to stop and have the patient contact our office, prior to the procedure, at 410-296-4415, option 3.
