

Procedure Location: ECNB (Endoscopy Center of North Baltimore)

1220 East Joppa Road Suite 508 Building C Towson, MD 21286

TWO- Day Colonoscopy Prep Information

- If you are receiving this addendum to your colonoscopy instructions, it is likely because you have not had good luck with one of our colon preps in the past or have a significant history of severe constipation.
- To counter this, we ask that you do the following IN ADDITION to following the colon prep that was prescribed for you and the corresponding instructions that were given to you.
- Please switch to a CLEAR LIQUID DIET 48 hours prior to your scheduled procedure.
- In addition to this, please take two (2) dulcolax tablets at 2pm on the day prior to your procedure. You will then go on to follow your colon prep instructions as they are written and start drinking the prep solution later that evening.
- If there are any questions or concerns with this, please contact the Endoscopy Center at 410-296-4415.
